Spirit-Empowered Ministry in Jesus' Name

This Week's Main Passages:

Acts 3:1-10; 4:5-31

This Week's Lesson:

1. God's people do good deeds and give glory to Jesus: Read Acts 3:1-10; 4:5-12 / Note that Peter and John are careful to redirect attention from the miracle to the Truth behind the miracle. (I'd recommend reading the rest of Acts 3 as well!)
2. God's people reserve ultimate allegiance for Jesus: Read Acts 4:13-22 / Peter and John didn't hesitate to speak the truth in spite of the demonstrated risk. In this case they were released. Eventually both men would suffer extreme consequences for continuing to speak.
3. God's people pray and preach with boldness: Read Acts 4:23-31 / It is interesting to compare this event, in which additional people were filled with the Holy Spirit, with the Pentecost event in chapter 2.

Review from last week

- The Holy Spirit comes to indwell every believer (Acts 2:1-4)
- The Holy Spirit comes to empower the spread of the gospel (Acts 2:22-40)
- The Holy Spirit comes to build the community of faith (2:41-47)

What we're skipping since last week

Nothing.
